This book is a translation of the original German edition “Das politische System der Bundesrepublik Deutschland” by Mannewitz, Tom and Rudzio, Wolfgang, published by Springer Fachmedien Wiesbaden GmbH in 2022. The translation was done with the help of an artificial intelligence machine translation tool. A subsequent human revision was done primarily in terms of content, so that the book will read stylistically differently from a conventional translation. Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to support the authors.
