To whom it may concern,

Please receive cordial greetings from Peru's National Office of Electoral Processes (ONPE). I am writing to you as Editor-in-chief of Elecciones, an academic journal edited by ONPE.

Elecciones (ISSN: 1994-5272; eISSN: 1995-6290) is a biannual publication specialized in electoral issues and dedicated to the multidimensional analysis of electoral processes in democratic systems. Elecciones was founded in 2002 and includes original and unpublished articles written by specialists in political science, law, history and other areas related to electoral studies from various local and foreign, public and private institutions, and electoral authorities who reflect on their work. Anyone can find all its contents at the following link: [www.doi.org/10.53557/elecciones](http://www.doi.org/10.53557/elecciones)

In 2022, the Revista Elecciones aims to raise its scientific level, increase its international scope and impact, and disseminate rigorous analysis and research results that reflect the diversity of electoral knowledge. Therefore, I would like to have Elecciones considered part of the Biblioteca Digital da Justiça Eleitoral, and I would like to know the process to follow.

Best regards,
