Dear Rafael,

I hope this message finds you well. We have updated and signed the IFES-provided Permission and License Agreement (attached) and I would kindly ask that you review and return a signed copy to our offices at your convenience.

Please know that I am also working on the 'Authorization Term' form that you shared with us. We are reviewing the three IFES publications you are interested in, and any potential restrictions that may exist around third party materials that are cited within them. We will share the form with you once we have finished this process.

Best,

Chelsea

We have identified in the digital book below material of great interest for dissemination in that digital library. Therefore, we would like to consult this Institution about the possibility of authorizing the disclosure of the publications in the library in reference.
