Dear Ms. Caal-Lam,

Thank you for your response. I confirm receipt of the term. Are the publications authorized to be made available in our digital library only those listed in the term? Considering the vast material the portal contains, we would like to be able to make it available in our digital library. Is it possible?

We remain at your disposal.

Best regards,

Rafael Jerônimo

Hello,

Thank you very much for reaching out to us and my apologies for the belated reply.

We are happy to allow our annual reports to be added to your library. However, I am having trouble filling the form provided, would it be possible to receive it in a different format (perhaps pdf)?

Dear all,

The Digital Library of Electoral Justice (Brazil) is an institutional tool that has among its purposes collecting, storing, preserving and disseminating digital documents on contents related to elections and electoral and party matters, with the priority of respect of the copyright legislation, thus becoming a large specialized open access repository in these subjects.

We identified on the portal <https://www.electoralintegrityproject.com/> material of great interest for dissemination in that digital library. Therefore, we would like to consult this Institution about the possibility of authorizing the dissemination of all articles, books and related materials in our library.

Please, be advised that:

- 1) The source will be cited;
- 2) The disclosure will not be for commercial purposes;
- 3) The articles will not be altered by the Digital Library of Electoral Justice.

The Digital Library of Electoral Justice is available at <http://bibliotecadigital.tse.jus.br/xmlui/>.

If you agree to the disclosure, we kindly ask you to fill out the attached authorization form. The fill of the term is essential, because from the answers related to the inquiries of the form, a license will be established that will be expressed in the records of the items in the digital library and will guide users about the possibility of using the publication. More information about the creative commons license can be found at <https://br.creativecommons.org/licencas/> and <https://creativecommons.org/choose/?lang=pt>.

We put ourselves at your disposal for further information and reiterate the importance of the material for the discussion of issues about the Electoral Justice.
